COURSE DESCRIPTION & REGISTRATION FORM

ART COURSES

DANCE COURSES

Intro to Drawing & Painting: Little Artists **Primary**
 In this class, little artists will explore a variety of art mediums while learning the basic elements of drawing and painting. Concentrating on technical skills and creativity, students will learn how to work with pencils, pens, pastels, tempera and watercolor, and have opportunities for exploration with each technique.

Advanced Drawing & Painting: Masters of Art **Elementary**
 Using different periods throughout art history, children will unleash their creativity while getting to know the "Masters of Art." Learning about famous artists like Picasso, Van Gogh, Monet, Matisse, and their techniques, we will use a variety of media to explore and replicate their different art styles. Children will have the opportunity to create their own masterpieces in the style of each art period.

MUSIC COURSES

"Do Re Mi": Beginning Music Performance **Primary**
 "Do Re Mi" focuses on singing, moving and learning through imagination, hand-eye coordination, inhibitory control and musical vocabulary. In this Primary class, children will enjoy musical exploration and experimentation with different sounds through vocal and instrumental music.

Vocal Techniques (Semi-Private & Private) **Elementary**
 Students will receive lessons covering the foundations of vocal development, including warm ups, ear training, intonation, and basic music theory. The lessons will cover many different genres of music, from classical to musical theater, to broaden the children's repertoire and musicality.

World Percussion **Primary & Elementary**
 Students will learn the basics of hand drumming in this fun and exciting percussion course. Learn the different clave patterns, where to properly hit a conga, the different instruments in a samba drumming group, and how to really play a tambourine! Children will develop technical skills which will allow them to express themselves creatively and musically, while developing their rhythmic knowledge.

Private Piano Lessons **Primary & Elementary**
 Students will be introduced to basic piano techniques, while working to build strong foundations in rhythm, melodic playing, ear training and sight reading. All students will learn how to read music and become familiar with music terminology. Baroque through Contemporary pieces will be covered.

Private Violin Lessons **Primary & Elementary**
 Children will learn the fundamental techniques of violin, including bowing, chin placement, posture and tuning, while developing expertise in rhythm, melodic playing, ear training and sight reading. All students will learn how to read music notes and become familiar with music terminology. Repertoire from various time periods will be studied. Please see instructor regarding instrument rental.

Private Guitar Lessons **Primary & Elementary**
 Each lesson will build upon basic techniques and fundamental music theory, with a concentration on classical pieces, famous melodies, and children's songs. This course will introduce chord progressions, performance skills, and develop melodic playing. Please see instructor regarding instrument rental.

THEATRE COURSES

Acting "Fun"damentals I **Primary**
 Early learning experiences in voice, movement & drama will be explored using directed activities involving games, songs, rhymes, body movements, vocal expression, pantomime and improv, designed to help students grow in creative self-expression. This class encourages the development of basic skills needed for school readiness, and is a great opportunity for children to just simply "shake those sillies out!"

Acting "Fun"damentals II **Elementary**
 In this fun and active class, students will explore the use of their voice and body as means for expression in performance, in addition to everyday communication. Children will participate in group exercises that will help to expand their physical and vocal capabilities, culminating in a performance of monologue and scene work.

Creative Movement **Pre-Primary**
 This introductory dance class will help develop your child's body movement and awareness. Children will benefit through improved coordination, increased self-control and self-esteem, and imaginative interactions with their peers. Colorful props and interactive music will be used to stimulate the child's cognitive skills and imagination.

Ballet/Tap **Primary & Elementary**
 Students will acquire familiarity with the French terminology for the fundamental ballet positions, exhibit basic body alignment and postures, while beginning to hear and count rhythm in music. Dance techniques and tap movements will also be covered in this combination dance class.

Jazz/Lyrical **Primary & Elementary**
 Students will learn basic techniques, movements, terminology and musicality, as well as beginning through advanced concepts of contemporary dance. Physical strength, confidence, body alignment and posture will be developed while children learn contemporary routines.

Gentleman's Tap **Primary & Elementary**
 Our young male dancers will learn basic tap techniques and movements in this fun "boys only" tap class! Physical strength as well as confidence on stage will be naturally developed in this high energy dance class!

ATHLETICS COURSES

Martial Arts **Primary & Elementary**
 Martial Arts is studied for various reasons including sport fitness, self-defense, self-cultivation, mental discipline, character development and building self-confidence. This class will not only improve the student's physical strength, flexibility and overall health, but also their self esteem, mental alertness and goal setting skills through the various lessons and exercises. Students will have regular belt testing to advance to the next level.

Power Sports **Primary & Elementary**
 Young athletes will get active and learn many sports in this high octane course! In this class children will not only have the opportunity to get a little more exercise, but learn the fundamentals of many different professional sports including basketball, soccer, football, track and field, tennis, volleyball and baseball.

Gymnastics **Pre-Primary, Primary & Elementary**
 All students will have a fun and safe time while learning balance, coordination, flexibility, strength and the basic fundamentals of gymnastics. Children will gain more self-confidence and motivation as they work with the balance beam, bars, vault, floor, parachute, hoops and ribbons.

Golf **Primary & Elementary**
 Total Golf Adventures (TGA) is an award winning program that provides expert instruction in all aspects of the game, from swing fundamentals to rules, etiquette, safety, course management and life values. A premier junior golf program, TGA is the only national at-school and after-school golf enrichment program.

SKILL BUILDING COURSES

Private Public Speaking Lessons **Primary & Elementary**
 This course is designed to help a child become more confident in their public speaking ability. Through this class your child will learn to deal with public speaking nerves and anxiety. They will also develop and improve their speech clarity. This course will assess, address and adapt to the specific needs of your child and help them to grow in their public speaking ability in a safe, supportive environment.
